

**Opening Date:** Immediate

**Position:** Casual PCP/ICP/ACP

## **Job Description**

Currently accepting applications, as per above, with practitioner responsibilities in accordance with current practice guidelines associated with Saskatchewan Health Protocols.

In addition to ensuring consistent and proficient utilization of medical and communications equipment; maintaining a positive, professional relationship with field personnel, administrative staff, associated law enforcement agencies, fire, and other medical personnel; individuals must also possess and demonstrate a positive leadership role within the profession and in the public arena.

The practitioner position encompasses a combination of regular worked hours, on call hours, shift/weekend differentials and overtime hours. Average starting salary as per Step 1 HSAS.

Hours are based on an "as needed" basis but there is a great deal of opportunity to attain experience within our ALS company. Casual staff are given first opportunity at shifts and are heavily considered when a full time position becomes available based on their prior performance.

**Applicants must have valid Unrestricted PCP/ICP/ACP license and in good standing with SCOP.**

Additional Qualifications: (In addition to practitioner requirements on application)

- Team oriented work ethic
- Mentorship Personality

For any information regarding the application process, please contact Devon Beauchesne, Director of Operations, at 306-883-2500 between business hours of 8am to 5pm or via email at [spwdbrems@sasktel.net](mailto:spwdbrems@sasktel.net)

Any resumes can be emailed to the above address or mailed/faxed to the following:
